Below is a list of what is included with each of our sports photography programs that is used as a fundraiser for your league. This list is used as a starting point and can be catered to fit your leagues needs.

1. At least 10% of all envelope sales go back to your league (*this is the amount on the actual envelopes, not net profit*).
2. Customized Products: We customize our products with logos, special slogans, or graphics that are unique to your organization.
3. Free 5x7 individual prints are given to each coach and staff member.
4. 1 sponsor plaque can be included for each team. (*Coach plaques also available.*)
5. Customized sales reports for envelope sales.
6. On line picture viewing and additional product availability.
7. Every image is backed by our 100% guarantee.
8. 100% customer service. We DO NOT want the league trying to handle any dissatisfied customers.

We can provide order forms and supporting paperwork well ahead of time (*if needed*). We provide enough staff and equipment for your event according to the needs of the players and teams being photographed. We work closely with your organization to create the best scenario for your picture day.
